FILOFORCE™ ORAL ADE VITAMINS

Indications

An aid in the treatment of vitamin A, D3 and E deficiencies in poultry, cattle, pigs, horses, sheep, dogs and goats.

Composition

Each 1 ml contains:

Retinyl acetate (Vitamin A)	100,000 iu
Cholecalciferol (Vitamin D3)	10,000 iu
dl-alpha-tocopherol (Vitamin E)	40 mg

Directions for use

Can be added to drinking water or given as a drench.

CATTLE, HORSES, PIGS

In drinking water add
20 ml per 100 litres of water

As a Cattle drench for best results the total dose should be divided into two equal doses one week apart.

Cows 10ml in 40mls of clean water total dose 50 mls

Yearlings 5mls in 20 mls of clean water total dose 25 ml

Calves 2.5ml in 10 mls of clean water total dose 12.5ml

POULTRY

4 ml per 10 litres of water

SHEEP, GOATS AND DOGS

2 ml per 10 litres of water

or as a drench for sheep

add 200ml of Filoforce ADE Oral to 800mls clean water, drench at 10ml per head for all sheep up to 45kg liveweight.

The above 3 doses may be repeated at intervals not less than 2 months.

Indicative daily water consumption of poultry

Chicks (1 week old) 2 litres / 100 chicks

Pullets (8 weeks old) 10-15 litres / 100 birds

Layers 20-30 litres / 100 birds

Note: This product is not recommended in dry feeds. Use Microvit™ Extra ADE Premix in mixed grains or complete feeds

Discussion

A convenient liquid preparation containing the major fat soluble vitamins A, D3 and E. FILOFORCE™ ADE is suitable for use as an oral supplement in all animals

and the liquid emulsion form allows easy administration via the drinking water.

FILOFORCE™ ADE is rapidly absorbed from the digestive tract. The vitamins are fat soluble and are stored in the liver to provide prolonged protection against deficiencies which may result in poor health and reduced performance.

Higher levels of FILOFORCE™ ADE as supportive therapy may be beneficial during times of stress and outbreaks of disease.

Withholding Nil

Schedule Exempt

Storage Store below 25°C (Air-Conditioning) out of direct sunlight.

Expiry after Manufacture 2 years

Pack Sizes 12 x 1 L
