

Dox - R - Pan[®]

Description

Dox-R-Pan[®] is a medicated premix for use in growing pigs for growth promotion and for the prevention of proliferative enteritis (*Campylobacter spp* induced diarrhoea).

Composition

Each 1 kg contains:

Olaquinox

Expiry After Manufacture

12 months

Pack Sizes

25 kg

APVMA Approval

45799

Directions

Add recommended amount of Dox-R-Pan[®] to 1 ton of finished feed according to the relevant pig weight:

Weight	Use Rate
Pigs less than 35 kg body weight	Add 1kg per ton of feed
Pigs more than 35 kg body weight	Add 500g per ton of feed

To ensure even dispersion it is recommended to first mix required premix with 4 kg of feed then mix this thoroughly into the rest of the feed.

Keep white pigs out of direct sunlight during use of Dox - R - Pan[®].

Withholding Period

Do not administer to pigs later than 12 hours before slaughter for human consumption.

Storage

Store below 30°C (room temperature) in a dry place. Store away from direct sunlight.

Schedule

S6
