

# Horsegro Millpack

## Description

Horsegro Millpack is formulated for addition to performance and breeding horse and pony feeds to aid in the prevention of deficiencies of vitamins and minerals.

It also contains Microvit® A and D3 which utilises a unique coating technology to protect individual beadlets of vitamins from the abrasive and destabilising influences of a mineral and vitamin premix.

## Composition

Each 1kg contains:

Vitamin A
Vitamin D
Vitamin E
Vitamin K
Vitamin B1
Vitamin B2
Vitamin B3
Vitamin B5
Vitamin B6
Vitamin B9
Vitamin B12
Vitamin H (Biotin)
Copper (Cu)
Iron (Fe++)
Zinc (Zn)
Iodine (I)
Manganese (Mn)
Selenium (Se)
Cobalt (Co)

Horsegro Millpack also contains antioxidant to maintain nutrient composition.

Microvit® is a trademark of Adisseo

## Directions

Thoroughly mix 1 kg of Horsegro Millpack into each 1 ton of mixed feed.

To ensure even dispersion it is recommended to first mix required premix with 4 kg of feed.

This blend should then be added to the mixer after the concentrates and before the high moisture products and then thoroughly mixed.

## Withholding Period

Nil

## Storage

Store below 30°C (room temperature) in a dry place. Store away from direct sunlight.

## Expiry After Manufacture

12 months

## Pack Sizes

25 kg

1300 884 593
