

# Lacgro<sup>®</sup> Gold + Yeast Premix

## Description

Lacgro<sup>®</sup> Gold + Yeast Premix is formulated to supplement the vitamin and mineral requirements of lactating dairy cows. Lacgro<sup>®</sup> Gold + Yeast Premix should be added to dairy cow feed to assist with the prevention of deficiencies of essential nutrients.

Lacgro<sup>®</sup> Gold + Yeast Premix contains Microvit<sup>®</sup> A and D3 which utilises a unique coating technology to protect individual beadlets of vitamins from the abrasive and destabilising influences of a mineral and vitamin premix. It also contains monensin sodium which can increase milk production, aid in reducing the severity of non clinical ketosis as well as controlling of bloat. Yeast is added to improve the microflora populations within the digestive system.

## Composition

Each 25 grams contains:

Vitamin A
Vitamin D3
Vitamin E
Cobalt (Co)
Copper (Cu) organic Cu + copper sulphate
Iodine (I)
Manganese (Mn) organic Mn + manganous oxide
Selenium (Se) organic Se + sodium selenite
Zinc (Zn) organic Zn + zinc sulphate
Monensin Sodium
Yeast (Levucell <sup>®</sup> SC 10ME)

Lacgro<sup>®</sup> Gold + Yeast Premix also contains an antioxidant to maintain nutrient composition.

## Schedule

S6

## Pack Size

25 kg

Lacgro<sup>®</sup> is a trademark of BEC Feed

Solutions Microvit<sup>®</sup> is a trademark of Adisseo

Levucell<sup>®</sup> is a trademark of Lallemand

## Directions

Thoroughly mix the calculated amount of premix with supplementary feed to provide 25 grams of Lacgro<sup>®</sup> Gold + Yeast Premix per head per day.

To ensure even dispersion it is recommended to first mix required premix with 4 kg of feed then mix this thoroughly into the rest of the feed.

## Withholding Period

Nil

## Storage

Store below 30°C (room temperature) in a dry place. Store away from direct sunlight.

## Expiry After Manufacture

6 months

## Warning

Dogs, horses and other equines should not be allowed access to feed containing monensin as ingestion of monensin may be fatal in these species.
